The book is exactly as advertised: 332 of Rockwell's magazine covers, focusing primarily on covers for the Saturday Evening Post. Author Christopher Finch gives a good short biography of Rockwell to start off the book, and from there the art essentially speaks for itself.

This 1979 edition (11 7/8" X 15 1/4" X 2") is a larger book than the 2013 edition and 455 pages vs. 400 pages. It is the cover art from the 332 Post covers, not the Post covers themselves, i.e. no Post banner, no words across the art saying what was inside
