I have physical scars from past surgeries, however, I have emotional scars as well. They were buried deep inside (hidden). It wasn't until my mother died was I able to "catch my breath" and to make sense of or process the emotional pain I had endured due to her prescription drug addiction, resulting in my own addictions.

The Department of Transport's sixth edition of Specification for Highway Works shows the most significant developments in compaction technology over the past decade. The specification incorporates major changes including an increase in layer thickness
