A REESE WITHERSPOON x HELLO SUNSHINE BOOK CLUB YA PICK Filled with all of the action, emotion, and lyrical writing that brought readers to Sky in the Deep, New York Times bestselling author Adrienne Young returns with Fable, the first book in this new captivating duology. Welcome to a world made dangerous by the sea and by those who wish to profit from it. Where a young girl must find her place and her family while trying to survive in a world built for men. As the daughter of the most powerful trader in the Narrows, the sea is the only home seventeen-year-old Fable has ever known. It's been four years since the night she watched her mother drown during an unforgiving storm. The next day her father abandoned her on a legendary island filled with thieves and little food. To survive she must keep to herself, learn to trust no one and rely on the unique skills her mother taught her. The only thing that keeps her going is the goal of getting off the island, finding her father and demanding her rightful place beside him and his crew. To do so Fable enlists the help of a young trader named West to get her off the island and across the Narrows to her father. But her father's rivalries and the dangers of his trading enterprise have only multiplied since she last saw him and Fable soon finds that West isn't who he seems. Together, they will have to survive more than the treacherous storms that haunt the Narrows if they're going to stay alive. Fable takes you on a spectacular journey filled with romance, intrigue and adventure.

A TikTok sensation, this rom-com about a young woman who agrees to fake date a colleague and bring him to her sister's wedding has "everything you could want in a romance" (Helen Hoang, New York Times bestselling author). Catalina Martín desperately needs a date to her sister's wedding. Especially since her little white lie about her American boyfriend has spiralled out of control. Now everyone she knows—including her ex and his fiancée—will be there and eager to meet him. She only has four weeks to find someone willing to cross the Atlantic and aid in her deception. New York to Spain is no short flight and her raucous family won't be easy to fool. Enter Aaron Blackford—her tall, handsome, condescending colleague—who surprisingly offers to step in. She'd rather refuse; never has there been a more aggravating, blood-boiling, and insufferable man. But Catalina is desperate, and as the wedding draws nearer, Aaron looks like her best option. And she begins to realize he might not be as terrible in the real world as he is at the office.

The sixtieth anniversary edition of Frantz Fanon's landmark text, now with a new introduction by Cornel West First published in 1961, and reissued in this sixtieth anniversary edition with a powerful new introduction by Cornel West, Frantz Fanon's The Wretched of the Earth is a masterful and timeless interrogation of race, colonialism, psychological trauma, and revolutionary struggle, and a continuing influence on movements from Black Lives Matter to decolonization. A landmark text for revolutionaries and activists, The Wretched of the Earth is an eternal touchstone for civil rights, anti-colonialism, psychiatric studies, and Black consciousness movements around the world. Alongside Cornel West's introduction, the book features critical essays by Jean-Paul Sartre and Homi K. Bhabha. This sixtieth anniversary edition of Fanon's most famous text stands proudly alongside such pillars of anti-colonialism

and anti-racism as Edward Said's Orientalism and The Autobiography of Malcolm X.

In the end, about ninety degrees have undergone major changes and all of the rest have been clarified and sharpened. The result is a symbol system of unparalleled accuracy, and an indispensable tool for both amateur and practicing astrologers.
