~~Parenting Your Out-of-Control Teenager: 7 Steps to---~~

The Controlling Child Is Out Of Control. In order to understand the patterns of control, we have to dig a little deeper and understand why they might be there. With the best of intentions, because we all want what is best for our child, we turn to control under the clever disguise of: " my child need ' s me to do it ", " this is best for my child ", " this will protect my child ", " this makes it easier for my child " .

~~The Controlling Child Is Out Of Control Your Parenting---~~

When teens can identify the warning signs that their temper is starting to boil, it allows them to take steps to defuse the anger before it gets out of control. Help your teen find healthy ways to relieve anger. Exercise is especially effective: running, biking, climbing or team sports.

~~Help for Parents of Troubled Teens HelpGuide.org~~

Parental authority needs to be distinguished from domineering or excessive forms of control that are primarily triggered by a parent ' s fears, egos, anxieties, and insecurities. Examples are when a parent insists that his or her way is the best or only way, decides important issues for the child without listening or allowing the child ' s input, and presses a child to do things because of the parent ' s ego or social concerns.
