In Principles of Managerial Finance, Fourteenth Edition, Gitman and Zutter guide you through the complexities of finance with their proven learning system. Teaching and learning aids are woven into concepts and practice, creating a roadmap to follow through the text.

Once again, Principles of Managerial Finance brings you a user friendly text with strong pedagogical features and an easy-to-understand writing style. The new edition continues to provide a proven learning system that integrates pedagogy with concepts and practical applications, making it the perfect learning tool for today's students. The book concentrates on the concepts, techniques and practices that are needed to make key financial decisions in an increasingly competitive business environment. Not only does this text provide a strong basis for further studies of Managerial Finance, but it also incorporates a personal finance perspective. The effect is that students gain a greater understanding of finance as a whole and how it affects their day-to-day lives; it answers the question "Why does finance matter to ME?" By providing a balance of managerial and personal finance perspectives, clear exposition, comprehensive content, and a broad range of support resources, Principles of Managerial Finance will continue to be the preferred choice for many introductory finance courses.

In Principles of Managerial Finance, Fourteenth Edition, Gitman and Zutter guide you through the complexities of finance with their proven learning system. Teaching and learning aids are woven into concepts and practice, creating a roadmap to follow through the text. Gitman's proven learning system makes it easy for students to understand and fully appreciate the key concepts, tools, and techniques needed for astute financial decision making in today's competitive business arena. The text's organization conceptually links the firm's actions to its value as determined in the securities markets. Each major decision area is presented in terms of both risk and return factors and their potential impact on the owner's wealth, as reflected by share value. With a reliable and consistent framework, Gitman defines learning goals at the start of each chapter and incorporates a diverse group of pedagogical aids, using real-world examples and exercises to foster students' comprehension of both theory and practice.

Gitman's Brief Third Edition approaches introductory finance with a focused concentration on the fundamental concepts, techniques, and practices of managerial finance. Integrating pedagogy with the concepts and practical applications necessary for a solid understanding of managerial finance, this edition equips instructors and students to concentrate on the concepts, techniques, and practices for keen financial decision making in an increasingly competitive business environment.
