It is our goal that you are always happy with what you bought from us, so please let us know if your buying experience was anything short of excellent. We look forward to seeing you again.

One recent December, at age 53, John Kralik found his life at a terrible, frightening low: his small law firm was failing; he was struggling through a painful second divorce; he had grown distant from his two older children and was afraid he might lose contact with his young daughter; he was living in a tiny apartment where he froze in the winter and baked in the summer; he was 40 pounds overweight; his girlfriend had just broken up with him; and overall, his dearest life dreams--including hopes of upholding idealistic legal principles and of becoming a judge--seemed to have slipped beyond his reach. Then, during a desperate walk in the hills on New Year's Day, John was struck by the belief that his life might become at least tolerable if, instead of focusing on what he didn't have, he could find some way to be grateful for what he had. Inspired by a beautiful, simple note his ex-girlfriend had sent to thank him for his Christmas gift, John imagined that he might find a way to feel grateful by writing thank-you notes. To keep himself going, he set himself a goal--come what may--of writing 365 thank-you notes in the coming year. One by one, day after day, he began to handwrite thank yous--for gifts or kindnesses he'd received from loved ones and coworkers, from past business associates and current foes, from college friends and doctors and store clerks and handymen and neighbors, and anyone, really, absolutely anyone, who'd done him a good turn, however large or small. Immediately after he'd sent his very first notes, significant and surprising benefits began to come John's way--from financial gain to true friendship, from weight loss to inner peace. While John wrote his notes, the economy collapsed, the bank across the street from his office failed, but thank-you note by thank-you note, John's whole life turned around. 365 Thank Yous is a rare memoir: its touching, immediately accessible message--and benefits--come to readers from the plainspoken storytelling of an ordinary man. Kralik sets a believable, doable example of how to live a miraculously good life. To read 365 Thank Yous is to be changed.

An inspiring guide to saying thank you, one heartfelt note at a time. We all know that gratitude is good for us--but the real magic comes when we express it. Writer Gina Hamadey learned this life-changing lesson firsthand when a case of burnout and too many hours on social media left her feeling depleted and disconnected. In this engaging book, she chronicles how twelve months spent writing 365 thank-you notes to strangers, neighbors, family

members, and friends shifted her perspective. Her journey shows that developing a lasting active gratitude practice can make you a happier person, heal complicated relationships, and reconnect you with the people you love--all with just a little bit of bravery at the mailbox. How can we turn an often-dreaded task into a rewarding act of self-care that makes us feel more present, joyful, and connected? Whether we're writing to a long-lost friend, a helpful neighbor, or a child's teacher, this inspiring book helps us reflect on meaningful memories and shared experiences and express ourselves with authenticity, vulnerability, and heart. Informed by Hamadey's year of discovery as well as interviews with experts on relationships, gratitude, and more, this deceptively simple guide offers a powerful way to jump-start your joy. Hamadey found herself thanking not only family members and friends, but less expected people in her sphere, including local shopkeepers, physical therapists, long-ago career mentors, favorite authors, and more. Once you get going, you might find yourself cultivating an active gratitude practice, too--one heartfelt note of thanks at a time.

In this remarkable author-illustrator debut that's perfect for fans of *Last Stop on Market Street* and *Extra Yarn*, a generous woman is rewarded by her community. Everyone in the neighborhood dreams of a taste of Omu's delicious stew! One by one, they follow their noses toward the scrumptious scent. And one by one, Omu offers a portion of her meal. Soon the pot is empty. Has she been so generous that she has nothing left for herself? Debut author-illustrator Oge Mora brings to life a heartwarming story of sharing and community in colorful cut-paper designs as luscious as Omu's stew, with an extra serving of love. An author's note explains that "Omu" (pronounced AH-moo) means "queen" in the Igbo language of her parents, but growing up, she used it to mean "Grandma." This book was inspired by the strong female role models in Oge Mora's life.

This Children's book is to help bring awareness to bullying and help with self-acceptance .

At first, Trisha loves school, but her difficulty learning to read makes her feel dumb, until, in the fifth grade, a new teacher helps her understand and overcome her problem.

Proud of his roots in Brooklyn and New York City Oreste Renato Rondinella was Professor of Educational Studies (presently Professor Emeritus) at Seton Hall University, South Orange, N.J. He decided to utilize his knowledge and passion in teaching to satisfy a long time desire to disprove the axiom "those who can't do, teach!" He wanted to make a statement that this wasn't true for those dedicated to the teaching profession. In 1983 Oreste returned to school for a post-doctoral degree in Marriage and Family Therapy. Subsequently, he directed two Marriage and Family Centers, Allegra Counseling Centers that were successful. He continued to teach for about ten years during this time. However, Oreste began to experience a great hunger and desire to write and retired as a professor- psychotherapist to write full time. He has completed three books: *Sin Is Necessary*, *Illusion vs. Reality---Sounds Within and Without*, and is completing *Intrigue in Rome*. Dr. Rondinella has traveled extensively in the last twenty-five years and conducted research and interviews that contributed to his books. As of October 1, 2003, Dr. Rondinella has resumed his independent practice of marriage and family therapy including individual psychotherapy.

As artist and writer Sandy Gingras so aptly points out in the introduction to her book *Thank You*, a life lived well is perhaps the highest form of thanks a person can give to teachers as a way of repaying them for their attention and effort. A simple thank-you is also nice. *Thank You* is Gingras's own delightful way of conveying this sentiment. This charming keepsake book features her soft, sweet watercolor artwork and thoughtful original text celebrating teachers and all they do for us. Always striking the right tone of gratitude without being overly sentimental, *Thank You* is a wonderful way to show appreciation to teachers for their enduring gifts to us both great and small.

Winner of 2021 Lambda Literary Award for Bisexual Nonfiction #1 NEW YORK TIMES BESTSELLER • From Samantha Irby, beloved author of *We Are Never Meeting in Real Life*, a rip-roaring, edgy and unabashedly raunchy new collection of hilarious essays. "Stay-up-all-night, miss-your-subway-stop, spit-out-your-beverage funny.... irresistible as a snack tray, as intimately pleasurable as an Irish goodbye." —Jia Tolentino Irby is forty, and increasingly uncomfortable in her own skin despite what Inspirational Instagram Infographics have promised her. She has left her job as a receptionist at a veterinary clinic, has published successful books and has been friendzoned by Hollywood, left Chicago, and moved into a house with a garden that requires repairs and know-how with her wife in a Blue town in the middle of a Red state where she now hosts book clubs and makes mason jar salads. This is the bourgeois life of a Hallmark Channel dream. She goes on bad dates with new friends, spends weeks in Los Angeles taking meetings with "tv executives slash amateur astrologers" while being a "cheese fry-eating slightly damp Midwest person," "with neck pain and no cartilage in [her] knees," who still hides past due bills under her pillow. The essays in this collection draw on the raw, hilarious particulars of Irby's new life. *Wow, No Thank You*. is Irby at her most unflinching, riotous, and relatable.
