End Of Fashion How

There were many causes to the end of fashion
as it was and this book touches on all of
them. Each chapter focuses on one reason why
top down fashion stopped by telling the story
of one or two companies/designers who were a
perfect example of that reason. Of course the
reasons overlap.

About The End of Fashion Attitudes to fashion have changed radically in the twenty-first century. Dress is increasingly approached as a means of self-expression, rather than as a signifier of status or profession, and designers are increasingly treated as 'artists', as fashion moves towards art and enters the gallery, museum, and retail space.

End of Fashion are an Australian pop rock band from Perth, Western Australia. In January 2014, the band took a hiatus, with former lead singer and guitarist Justin Burford explaining in a Facebook post: "Triple J ended the career path of End of Fashion, no question." The group gained mainstream attention with its 2005 single, "O Yeah", that was voted into eighth position of the "Hottest 100" poll, compiled by Australian youth radio station, Triple J. The

The first chapter of the book deals about the end of French influence on global fashion. For me, it was the only one containing some insight and information. The author correctly points out that the different lifestyle that emerged from the 60s implied a faster rhythm of life, inclusive of international travel and the need for more comfortable clothes.
