The Pursuit of Perfect: How to Stop Chasing Perfection and ...

In his book, The Pursuit of Perfect, author Tal Ben-Shahar, Ph.D. narrows in on this topic with a look at the barriers constructed by perfectionism in setting, achieving and enjoying personal goals. His antidote to perfectionism is "optimalism," a term whose life was no doubt conceived from early researchers' description of the concept of positive psychology as the "scientific study of optimal human functioning."

In The Pursuit of Perfect, Dónal McAnallen draws upon Cormac's diaries and frank self-assessments, and his own memories of their experiences, to create a remarkable portrait of a young sportsman's mindset and methods. It is both one of the most remarkable GAA books ever written and - in its intimacy and depth - a book that transcends Gaelic games.

The Pursuit of Perfect Packing is a book on packing problems in geometry. It was written by physicists Tomaso Aste and Denis Weaire, and published in 2000 by Institute of Physics Publishing (doi:10.1887/0750306483, ISBN 0-7503-0648-3) with a second edition published in 2008 by Taylor & Francis (ISBN 978-1-4200-6817-7). Topics

The Pursuit of Perfect Packing - Wikipedia

Coauthored by one of the creators of the most efficient space packing solution, the Weaire–Phelan structure, The Pursuit of Perfect Packing, Second Edition explores a problem of importance in physics, mathematics, chemistry, biology, and engineering: the packing of structures. Maintaining its mathematical core, this edition continues and revises some of the stories from its predecessor while adding several new examples and applications.

It is our best traditions "like an inaugural ceremony" that are essential in our pursuit of a more perfect union and a brighter future for all Americans.

Do You Want Your Life to Be Perfect? — The Pursuit of Perfect

DO YOU WANT YOUR LIFE TO BE PERFECT? We're all laboring under our own and society's expectations to be perfect in every way-to look younger, to make more money, to be happy all the time. But according to Tal Ben-Shahar, the New York Times bestselling author of Happier, the pursuit of perfect may actually be the number-one internal obstacle to finding happiness. OR DO YOU WANT TO BE HAPPY? Applying cutting-edge research in the field of positive psychology-the scientific principles taught in his wildly popular course at Harvard University-Ben-Shahar takes us off the impossible pursuit of perfection and directs us to the way to happiness, richness, and true fulfillment. He shows us the freedom derived from not trying to do it all right all the time and the real lessons that failure and painful emotions can teach us. YOU DONT HAVE TO BE PERFECT TO BE PERFECTLY HAPPY! In The Pursuit of Perfect, Tal Ben-Shahar offers an optimal way of thinking about failure and success--and the very way we live. He provides exercises for self reflection, meditations, and "Time-Ins" to help you rediscover what you really want out of life. Praise for Tal Ben-Shahar's Happier: "This fine book shimmers with a rare brand of good sense that is embedded in scientific knowledge about how to increase happiness. It is easy to see how this is the backbone of the most popular course at Harvard today." --Martin E. P. Seligman, author of Authentic Happiness

Can You Learn to Be Happy? YES . . . according to the teacher of Harvard University's most popular and life-changing course. One out of every five Harvard students has lined up to hear Tal Ben-Shahar's insightful and inspiring lectures on that ever-elusive state: HAPPINESS. HOW? Grounded in the revolutionary "positive psychology" movement, Ben-Shahar ingeniously combines scientific studies, scholarly research, self-help advice, and spiritual enlightenment. He weaves them together into a set of principles that you can apply to your daily life. Once you open your heart and mind to Happier "is thoughts, you will feel more fulfilled, more connected . . . and, yes, HAPPIER. "Dr. Ben-Shahar, one of the most popular teachers in Harvard's recent history, has written a personal, informed, and highly enjoyable primer on how to become happier. It would be wise to take his advice." --Ellen J. Langer, author of Mindfulness and On Becoming an Artist "This fine book shimmers with a rare brand of good sense that is imbedded in scientific knowledge about how to increase happiness. It is easy to see how this is the backbone of the most popular course at Harvard today." --Martin E. P. Seligman, author of Authentic Happiness

In 1998 Thomas Hales dramatically announced the solution of a problem that has long teased eminent mathematicians: what is the densest possible arrangement of identical spheres? The Pursuit of Perfect Packing recounts the story of this problem and many others that have to do with packing things together. The examples are taken from mathematics, phy

Nicklas Lidstrom is nothing short of a Hockeytown deity, and his number 5 hangs high in Detroit as a symbol of leadership, longevity, and unparalleled defensive talent. The beloved Red Wings captain opens up about his life and career for the first time in the English language in this authorized biography which spans the Hall of Famer's entire NHL journey. Nicklas Lidstrom: Captain Fantastic takes fans on a memorable tour which includes Lidstrom's early life in Sweden, his 20 season in Detroit and four Stanley Cup championships, and his taste of Olympic gold with the Tre Konor. It also includes insights on more personal matters and unique challenges Lidstrom faced as well as photos from Lidstrom's personal collection.

What kind of life do you want for yourself? What choices will create this kind of life? In his New York Times bestseller Happier, positive psychology expert Tal Ben-Shahar taught us how to become happier through simple exercises. Now, in Choose the Life You Want, he has a new, life-changing lesson to share: Drawing on the latest psychological research, Ben-Shahar shows how making the right choices—not the big, once-in-a-lifetime choices, but the countless small choices we make every day almost without noticing—has a direct, long-lasting impact on our happiness. Every single moment is an opportunity to make a conscious choice for a happy and fulfilled life. Choose the Life You Want covers 101 such choices, complete with real-life stories, to help you identify and act on opportunities large and small.

How the greatest thinkers in finance changed the field and how their wisdom can help investors today Is there an ideal portfolio of investment assets, one that perfectly balances risk and reward? In Pursuit of the Perfect Portfolio examines this question by profiling and interviewing ten of the most prominent figures in the finance world—Jack Bogle, Charley Ellis, Gene Fama, Marty Leibowitz, Harry Markowitz, Bob Merton, Myron Scholes, Bill Sharpe, Bob Shiller, and Jeremy Siegel. We learn about the personal and intellectual journeys of these luminaries—which include six Nobel Laureates and a trailblazer in mutual funds—and their most innovative contributions. In the process, we come to understand how the science of modern investing came to be. Each of these finance greats discusses their idea of a perfect portfolio, offering invaluable insights to today's investors. Inspiring such monikers as the Bond Guru, Wall Street's Wisest Man, and the Wizard of Wharton, these pioneers of investment management provide candid perspectives, both expected and surprising, on a vast array of investment topics: ineffective diversification, passive versus active investment, security selection and market timing, foreign versus domestic investments, derivative securities, nontraditional assets, irrational investing, and so much more. While the perfect portfolio is ultimately a moving target based on individual age and stage in life, market conditions, and short- and long-term goals, the fundamental principles for success remain constant. Aimed at novice and professional investors alike, In Pursuit of the Perfect Portfolio is a compendium of financial wisdom that no market enthusiast will want to be without.

A brilliant guide to living a happier life (even if it's not so perfect) Bestselling author Tal Ben-Shahar has done it again. In Being Happy (originally published in hardcover as The Pursuit of Perfect, 978-0-07160882-4), he gives you not only you the theory but also the tools to help you learn how to accept life as it actually is instead of what you think it should be. By using the science of positive psychology along with acceptance, Ben-Shahar shows you how to escape the rat race and begin living a life of serenity, happiness, and fulfillment. With the same technique that made Happier such a great success, Being Happy shows you how to let go of unrealistic expectations and truly accept your emotions for a more serene life. Praise for Ben-Shahar: "[Tal Ben-Shahar has] a rare brand of good sense that is embedded in scientific knowledge about how to increase happiness." -- Martin E. P. Seligman, author of Authentic Happiness "Ben-Shahar teaches that happiness isn't as elusive as people think." -- Publishers Weekly "One of the most popular teachers in Harvard's recent history." -- Ellen J. Langer, author of Mindfulness and On Becoming an Artist Tal Ben-Shahar is the New York Times bestselling author of Happier. He consults and lectures around the world to executives in multinational corporations, the general public, and at-risk populations. For more information, visit www.talbenshahar.com

Girl, read your Bible. You can eat all the kale, buy all the things, lift all the weights, take all the trips, trash all that doesn't spark joy, wash your face and hustle like mad, but if you don't rest your soul in Jesus, you'll never find peace and purpose. You've had enough of the hustle. You've given up trying to meet social media's impossible standards, and you're done living a life ruled by busyness. But where do you go from here? For Alisha Illian, it wasn't until she learned to abide in God's truth that she finally found fulfillment. In Chasing Perfect, Alisha shares how God awakened her heart to prioritize what matters to Him. She'll help you learn what it means to look beyond each day's diversions and live in surrender to the Savior. You'll see why it's so important to separate yourself from the self-first attitude of self-help culture savor each blessing God has given you schedule!rather than squeeze in!daily time to spend with God You don't have to keep filling your calendar to the brim with unsatisfying distractions. Chasing Perfect will help you submit to God and experience His perfect renewal and rest.

A revolutionary approach to overcoming perfectionism! A recent, randomized study published by Mindfulness Journal shows that Present Perfect is effective as a standalone intervention. The study found that those who had read the book experienced a statistically significant reduction of self-criticalness, a result that was still maintained at a six weeks follow-up (Wimberley, Mintz, & Suh, Mindfulness, Nov. 2015). While there's no doubt that setting high standards for yourself is a good thing, you've probably already noticed that perfectionism can come at a high price. And when you take steps to try to change, it's easy to be too hard on yourself and fall into the same traps that keep you feeling stressed and disappointed. This book presents a revolutionary approach to overcoming perfectionism—a way to transform your need for precision into self-acceptance, compassion, and love for each perfectly imperfect passing moment in our lives. In Present Perfect, you'll use the Buddhist psychology of mindfulness to learn to accept the present moment in all of its ordinary perfection. This book is filled with over 150 exercises and meditations that you can practice to become more flexible toward yourself and others without losing your love of a job well done. With this compassionate approach, you'll soon be able not only to accept life as it is, but also become more accepting and forgiving of yourself and others.

Jack Hemick was a perfectionist and hated losing at anything. So, when an argument with his sister Kathryn goes too far and she kicks him out of her luxurious home, he decides to take up an offer to spend two weeks at a new island resort in the South Pacific.Hoping that the break would do them both good, Jack is first whisked to Panama in a private jet and then to the resort in a gigantic helicopter. It seemed that no expense was to be spared as his hosts pulled out all the stops to make sure that he was going to be well looked after.But once there he soon discovers that everything is almost too good to be true. Why was he invited to spend a vacation at no expense in this tiny island that seems to provide everything anyone would ever want? Who is the enigmatic Dr. Ladmile? And will this trip fix the rift between Jack and Kathryn, or just make the gulf between them even wider?Jack is about to find out that perfection isn't always the best.
