YANMAR YS ENGINES. I bought a boat in December 2003 with a YSE12 single diesel engine, and have now learned something about them. I'm documenting this with a view to helping others with information, however some of what I have learnt is only hearsay, and some speculation and opinion, so this will require verification.

Understanding YANMAR engine model codes. Most engine model designations are on an engine data plate, on the front or the top of the engine. Some older engines have the data plate on the adapter plate between the engine and the gearbox . Here are some examples of engine model codes and their meanings:
